Venetucci Pumpkin Ale by Bristol Brewery

We propose a toast to Nick and Bambi Venetucci. Over the six decades that they ran their family farm, they gave away literally millions of pumpkins to school children all across the Springs. Just before he died, Nick made plans to donate the farm to the Pikes Peak Community Foundation, that it might be preserved forever as a rich community resource. And, yes, so that hundreds of children wouldn't go empty-handed each fall. The Venetuccis' taught us to give back. That's why Bristol will give 100% of the profits from this beer to support their farm. So enjoy this subtly spiced, malty treat. And here's to Nick and Bambi, and the great legacy of generosity.

Great beer! Great cause!
Thank you Nick and Bambi.
Thank you Bristol Brewery.
