In order to create an approachable, yet soulful red blend, grapes were sourced from established, older vineyards within Paso Robles, California. This is where 'big red' varietals reign supreme in one of the premier appellations in the U.S. **Good Red** delivers the soft tannins and lush fruit of a Merlot, generous nuances of cassis and coffee from Cabernet Sauvignon, dark and spicy notes from Petite Sirah, with a touch of Cabernet Franc for additional structure. **Good White** is an easy to drink blend of Sauvignon Blanc, Chardonnay, Viognier and both sweet and dry Muscat, a blend that is great for summer drinking. It will go well with any type of seafood, either pan fried, broiled or steamed. Also try it with Asian fusion cuisine!

Both Good Red and Good White, have a greater purpose. For each bottle purchased \$.50 will be donated to The Children's Health Fund. Founded in 1987 through the partnership of Irwin Redlener, MD and singer Paul Simon, this organization is committed to ensuring that underprivileged children have access to needed healthcare. From regional beers to the top pilsner-style beer with an international reputation - the story of Warsteiner beer was and is still being written by the Cramer family in Warstein. The name Cramer family began making brewing history in 1753, when the farmer Antonius Cramer first had to pay a beer tax of one reichstaler and 19 florins for his self-brewed and marketed beer. His son Johannes Vitus followed in his footsteps and continued serving self-brewed beer in his residence in the heart of Warstein. His business profited from its central location. But in 1802 a devastating fire reduced the town of Warstein to rubble - the house of the Cramers also fell victim to the flames. The family rebuilt their house both as guest lodging and home brewery, and when St. Pancratius Church was built, it became the center of town. This original house of the Warsteiner Brewery is still standing today in the historic center of the city of Warstein.

A world class international pilsner, Warsteiner Premium Verum is a slightly pale German-style pilsner with a clean crisp, refreshing import taste.

- Pilsner style – brewed according to German Purity Law of 1516 with no chemicals, additives or preservatives.
- Brewed exclusively with German hop varieties... featuring Noble Hallertau hops and 100% two German spring barley malt.
- 4.8% alcohol by volume.

Warsteiner Premium Dunkel is an exceptionally smooth and highly drinkable German dark lager. Dunkel has a deep chestnut brown hue, toasty malt and mocha aromas, with a medium-bodied palate and subtle hop bitterness on the finish. **12pk bottles are currently on sale for \$11.99, save \$1.50.**
