Magness Estates

The wines of Magness Estate have turned out to be quite a find. This portfolio features handcrafted, small lots of Cabernet, Chardonnay, and Pinot Noir produced from California's Napa Valley. The Magness Cabernet is intensely concentrated, bold, powerful and strapping. The Chardonnay is tantalizing. It exudes elegance and grace and was crafted to pair with great food. The masterful Pinot Noir features classic pinot aromatics, a luscious mouth-feel, and a hedonistic finish. Our savvy customers realize that these wines are inexpensive relative to their quality and pedigree.

All Magness wines are currently 20% OFF our everyday low price with Family Card Discount.

FIRESTONE WINES - Founded in 1972 by father and son, Leonard and Brooks Firestone, Firestone Vineyard has enjoyed 35 years of family stewardship. Recently, the Firestone family decided to sell their iconic winery. In doing so, they turned to fellow Santa Barbara vintner Bill Foley (Foley Estates Vineyard and Winery, Lincourt Vineyards) as the logical next shepherd for the famous property. As the Firestones' identified earlier on, Bill, too, recognized Santa Barbara County as the ideal location for the production of world class wines. Bill has vowed to continue the Firestone tradition in striving for the very best in vineyard management and cutting edge winemaking. The vineyard focuses on optimal physiological balance in the vines, thus yielding wines that are brightly flavored, crisp and delicious. Visit www.firestonewine.com for additional info.

Escudo Rojo Baron Philippe de Rothschild 2006 is complex, expansive and generous. A cascade of ripe red fruit, cherry, blackcurrant and raspberry, delicately accompanied by subtler notes of tobacco, spice and toast distinguish this wine from the first sniff. Once on the tongue round, rich and full-bodied flavors mingle with the mature tannins then gently enfold to delicious vanilla, chocolate and liquorice palate. The finish is long, flavorsome and silky, underlining the fullness of the ripe fruit. The blend successfully balances the structure and freshness of Cabernet with the roundness and powerful flavor of Syrah and Carmenère.

Everyday low price is \$13.99. Currently with your Family Card, it is 20% OFF, \$11.20.

The Dough	The Sauce	The Cheese
At Garlic Jim's, our hand-rolled thick crust dough has parmesan cheese and butterfleck inside of the mix. It has just enough cheese to make the taste excellent but not cheesy.	Our sauce is fresh-pressed from California. This means that it was NEVER paste. It was freshly picked and made into pizza sauce within hours maintaining the fresh taste of tomatoes.	Our cheese is pure white milk mozzarella. This means that it does not have other cheeses mixed in to save money. It also means that the cheese was NEVER frozen.

Tempest Wines

You don't have to sail to the end of the earth to discover great wine at a great price. Tempest Wines are produced by renown winemaker Jock Harvey featuring family owned Limestone Coast vineyards first planted in 1840. Tempest is a great trade up from the Australian critter labels that are starting to lose popularity with consumers. Tempest offers an exotically rich Chardonnay, a velvety smooth Cabernet Sauvignon and a spicy Shiraz. You can't beat the price for a wine this good!

All Tempest Wines are currently 20% off with Family Card. Enjoy.
