Twin brothers, Will and Dave Elger from Denver have developed a fine tequila at a great price without all the fancy packaging. Smooth and delicious, **MuchO Te** is made from 100% blue Agave, grown in the fields of Don Feliciano Vivianco, a 3rd generation Agave farmer. Aged in small charred American bourbon oak casks for at least 7 months, the golden colored tequila (reposado)

has become an overnight sensation among tequila connoisseurs. This local delicacy is makes an excellent gift at our introductory low price of \$29.99!

The essence of perfection...

Grey Goose Vodka is a celebration of extraordinary character, from its creation through to the last sip of the perfect martini. **Grey Goose Vodka** is crafted from the finest French wheat, with water naturally filtered through Champagne limestone, and carefully distilled according to the uncompromising traditions of France's Cognac region. Each batch is made

to the exacting standards of Francois Thibault, the Grey Goose Maître de Chai (cellar master), ensuring its distinct freshness, clarity and unparalleled smoothness.
